Alternate non-accounting major route available to comply with the 150-hour requirement towards the CPA exam.

Internship:

Firsthand experience in the accounting industry completed in the Spring. (Required unless a prior internship has been completed).

THE REGISTRATION PROCESS

MAC Students will be registered approximately 2 months prior to the start of each semester.

A course registration is considered binding unless:

- a course is canceled by the School of Business
- a course is closed,
- a student does not have the appropriate prerequisites.

New MAC Students

Newly admitted students will be registered by the Office of Graduate Business Programs. Please call Dennis Barrera at 610-519-7016 with questions.

Confirmation of Registration

Course registration can be confirmed through Novasis. The Registrar does not mail course confirmations.

Schedule Changes (See Drop and Add Procedures on Page 14)

TRANSFER OF COURSES

Transfer credits are not permitted in the MAC Program. All courses in the curriculum must be taken at Villanova University.
