

## Using LockDown Browser for Online Exams

Your course may require the use of LockDown Browser online exams. Watch this [short video](#) to get a basic understanding of LockDown Browser. A student [Quick Start Guide](#) is also available.

### To download and install LockDown Browser, please follow these instructions

- Students should log into Blackboard, click on Resources tab in the upper-right hand corner, then find the Respondus Lockdown Browser Section to download.

A screenshot of the Blackboard content area. It shows two main sections: 'Academic Integrity' and 'Respondus LockDown Browser'. The 'Academic Integrity' section contains text defining academic integrity and a 'More >>' link. The 'Respondus LockDown Browser' section contains text instructing users to click a link to download the application, along with links for 'Respondus Student Guide' and 'Respondus Freezing Issue Fix'. A red arrow points to the 'Respondus LockDown Browser' section header, and another red arrow points to the text 'click here to download the application'.
