

# The Art of Catering

FALL 2009 • WINTER 2009

## ❖ UNIVERSITY CATERING ❖

*A division of Villanova University Dining Services*

Good food and drink, deliciously prepared and creatively presented, can make you and your guests feel welcome and special. We recognize this as our pursuit at University Catering; our goal is to consistently offer the highest quality customer service, dining satisfaction and convenience to our faculty, staff, students and guests of the University.

Our services include buffet, sit-down, or tote bag breakfasts, luncheons and dinners; mid-morning and afternoon breaks; simple drop offs, barbecues, full service bars and cocktail receptions with or without meal service.

Our event planners will work with you to offer the menu that best suits your event. When you want to highlight or downplay meals or breaks, discuss this with your planner so the right level of service can be arranged. You may select traditional favorites or any of our special suggestions to customize your menu design.

Select from main courses, hot dishes, cold platters and an extensive range of salads and vegetarian entrees to round out the presentation. Many selections are available with healthy heart options, such as low cholesterol, low fat and low sodium.

For meetings or conferences, full service breaks can be planned with a wide assortment of lighter fare as well as hot and cold beverages.

We can provide full service catering in the Connelly Center, Dougherty Hall, Picotte Hall at Dundale, the Law School, St. Mary's Hall, Driscoll Hall and the Exchange at Bartley.

Thanks for considering us for your important event!

**BON APPÉTIT!**

### Attendance Guarantee:

To keep your costs as low as possible, it is important to have an accurate head count. A final guarantee of attendance must be provided **three full working days** prior to your event. This time is required to ensure an adequate staff of attendants and sufficient quantities of food for your guests. The number of guests you state will be considered a minimum guarantee and not subject to reduction. Alcohol Service at Catered Events: Villanova University does not allow for the on-site sale of alcohol to individuals in any circumstances. Group functions where alcohol (beer, wine or liquor) is served and is part of a banquet, reception or party-type event, which may be free admission or one, in-advance admission price for the whole event, can be permitted according to state law.

Villanova Catering can buy and provide alcohol at cost for your group, or the group can supply its own alcohol, and Villanova Catering will

serve it. In either case the group is responsible for the costs of Villanova Catering bartenders and a service charge for bar set-ups (full bar set-up, or beer-wine-soda set-up) according to prescribed standards based on number of attendees.

If Villanova Catering provides the alcohol, it will charge a group for what attendees consume at the event, by-the-bottles (beer or wine), or by-the-portion-of-the-bottle (liquor). A group can limit the amount of alcohol served by designating in advance the amount it wants Villanova Catering to purchase.

Groups that provide their own alcohol are responsible for delivering it according to Villanova Catering directions and removing any remaining alcohol immediately following the function. For further catering information, call 610-519-7273.
