**MPEs used are deducted from your total block of meals, they are NOT in addition to your block of meals for the week/semester. The number above refers to the number of times per day a meal can be used as a MPE.

† The Exchange in Bartley Hall and The Commons in Driscoll Hall do not normally accept MPE. The upgrade plans for each location allow a meal plan to be upgraded so that MPE's may be used in the corresponding location. The upgrade plans also include an additional \$50 in points to be added to the points that come with the plan you select.
