BACHELOR OF INTERDISCIPLINARY STUDIES
GENERAL BUSINESS MINOR

The General Business Minor provides the motivated Bachelor of Interdisciplinary Studies (BIS) student with broad exposure to the major foundational areas of modern business. It also effectively complements the BIS majors in General Studies, Information Systems and Leadership Studies. Choosing to pursue a Business Minor will not only expand a student's business knowledge but will also expand a student's opportunities in the post-degree job market.

Part-Time Studies students who are matriculated in the Bachelor of Interdisciplinary Studies degree program may seek a General Business minor upon application to, and approval by, the Dean of the Villanova School of Business. Business minor applications are reviewed twice a year: early January for the Spring semester and late May for the Fall semester. Acceptance is determined on a competitive basis. Only students who have been accepted will be permitted to take the business courses. A student in the Business Minor Program may take 1 required business course at another four year accredited institution. Pre-approval by the VSB Dean's Office is necessary. Students in the General Business Minor program are required to either use the school laptop or purchase the necessary software programs for their pre-owned laptops.

The required business courses for the General Business Minor are:

Table with 5 columns: Course No., Title, Credit, Sem., Grade. Rows include ACC 1101, BL 1090, DIT 1006, ECO 1001, ECO 1002, FIN 1113, MGT 1102, MKT 1137, and STATISTICS REQUIREMENT.

1 DIT 1006 is waived for BIS/Information Systems majors.
2 Prerequisites for FIN 1113: ACC 1101, DIT 1006, ECO 1001/1002 and Statistics (DIT 2010, Business Statistics, may be taken concurrently with FIN 1113).
3 Statistics may be fulfilled by successfully completing MAT 1230 and MAT 1235. If a student has completed a calculus course then DIT 2010 (or ECO 2137 or MAT 2310 or MAT 4310) may substitute for the statistics sequence.
