Summer Session I (6/01/26 - 6/29/26)

PHI 1000-001 Knowledge, Reality, Self

Instructor: **Dr. Delia Popa**

Distance learning, Asynchronous

Philosophical responses to the questions of how we can know, what is real, and what is the nature of human existence that explore the dialogue between Catholic, Christian, secular and skeptical perspectives on these questions.

PHI 2115-001 Ethics for Health Care Prof

Instructor: **Dr. Peter Koch**

Distance learning, Asynchronous

This course explores contemporary ethical issues in medicine and health care through case analysis, academic research, and class discussion. Students will develop the philosophical tools and sensitivities needed to assess and resolve complex ethical situations, with a particular focus on those situations that are commonly encountered by clinicians and researchers throughout their careers. While this course is primarily designed for future clinicians, other interested students are welcome to participate as well.
