SECOND DEGREE ACCELERATED NURSING PROGRAM

MAKING VILLANOVA AFFORDABLE

Welcome to Nova Nation! We are pleased to notify you of your financial aid eligibility for the Second Degree Accelerated Nursing Program. Please review this booklet thoroughly and retain it for future reference, as it explains the sources of financial aid you may be qualified to receive. What follows is a detailed explanation of all sources of federal and alternative forms of aid.

Your eligibility for need-based federal aid is based on information you provided on the Free Application for Federal Student Aid (FAFSA) and other documentation. The Office of Financial Assistance must be notified of any changes in information originally reported (e.g., family size, housing status) since these changes may affect your aid notice. The Second Degree Accelerated Nursing Programs are second-undergraduate degree programs; therefore federal, state, and/or institutional grant funding are not available to students in these programs.

Villanova University is committed to providing students with a rigorous, rewarding and transformative educational experience. We are equally committed to helping students and their parents make that experience affordable.

Because the amount of federal loan funding available to undergraduate students does not meet all of your educational expenses, you may apply for one or more of the other funding opportunities, which include:

VILLANOVA UNIVERSITY TUITION PAYMENT PLAN

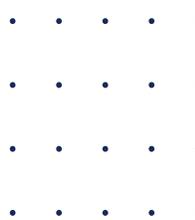

In partnership with Nelnet Campus Commerce, the Monthly Payment Plan allows you to divide tuition and other expenses into smaller monthly payments. Head over to mycollegepaymentplan.com/villanova for more information.

FEDERAL DIRECT PLUS LOAN

A [Federal Direct PLUS Loan](#) is an easy way for parents to help finance their child's education. Federal Direct PLUS Loans can be applied for up to \$20,000 per academic year (with an aggregate PLUS Loan borrowing of \$60,000) IF the student is a **dependent** student. Federal Direct PLUS Loans are not based on need but on a parent's creditworthiness.

PRIVATE EDUCATIONAL LOANS

We encourage you to learn about available Private Educational Loan programs to determine which loan best meets your needs. You can view a list of Villanova University Preferred Lenders at the [ElmSelect webpage](#).

SOURCES OF AID THAT MAY BE LISTED ON YOUR FINANCIAL AID NOTICE

WILLIAM D. FORD FEDERAL DIRECT LOAN

DIRECT SUBSIDIZED LOAN

This is a federal need-based educational loan available to undergraduate students who are enrolled at least part-time in a degree program. The federal government pays the interest on the loan during your period of enrollment of at least a part-time basis.

DIRECT UNSUBSIDIZED LOAN

This is a federal educational loan available to students who are not eligible or have limited eligibility for the Subsidized Direct Loan. Students may borrow under the same terms as the Direct Subsidized Loan; however, at no time does the government subsidize the loan through payment of interest.

Eligibility for Federal Direct Subsidized/Unsubsidized Loans is dependent upon your previous undergraduate Direct Loan/Stafford Loan borrowing history. To view your borrowing history, log in to studentaid.gov using your FSA ID Username and password, then select "View Your Aid" in the More Resources section.

The Federal Direct Subsidized and Unsubsidized Loans are awarded to students at an "offered" status until they have submitted all transcripts to the Fitzpatrick College of Nursing. Once the transfer credit evaluation is complete, the Office of Financial Assistance will be notified so that the loan funds may be certified. Students who wish to reduce or decline the loan amounts should send an email from their Villanova email account to finaidloan@villanova.edu verifying the adjustments they wish to make.

DISBURSEMENT OF AID

Federal Loan funds will disburse to the student's account the week before the semester starts, if the student has satisfied all of their financial aid requirements.

Summer 2026: 05/15/2026

Fall 2026: 08/21/2026

Spring 2027: 01/08/2027

BORROWER-BASED ACADEMIC YEAR

Villanova University uses a Borrower-Based Academic Year for the Second Degree Accelerated Nursing Program so that students can maximize their Federal Direct Loan borrowing. Students who start the 2026-2027 academic year in the summer 2026 semester can use a Borrower-Based Academic Year.

Because the BSN-Express program begins in the summer, the Office of Financial Assistance can use a Borrower-Based Academic Year to award an initial annual federal loan limit between summer 2026/fall 2026, and a second annual federal loan limit between spring 2027/summer 2027. The student has the option as shown of receiving 100 percent of their annual federal loan limit in spring 2027, or splitting the federal loan between spring 2027 and summer 2027. Students who choose to split the federal loan will need to complete a new FAFSA for the 2027-2028 academic year. Students are emailed in November regarding their spring eligibility, after spring registration has commenced.

THE LOAN EXAMPLES ARE FOR A JUNIOR-GRADE LEVEL OR THIRD-YEAR STUDENT.

Transportation: \$850

Off-campus housing: \$11,855

Food: \$9,040

*Indirect summer costs are a separate calculation in addition to the fall and spring cost of attendance.

Students are not required to apply for financial assistance for indirect costs if they do not require funding to assist with these expenses. We recommend that students only borrow what they need during an academic year.

As students in the Second Degree Accelerated Nursing Program do not qualify for on-campus housing, the cost of attendance has been created with the assumption that the student is paying for housing expenses (e.g. rent/mortgage, utilities). If the student will be living with a parent or relative and will not incur these expenses, please complete the [Student Housing and Resource Confirmation Form](#).

INFORMATION ABOUT SUBSEQUENT AID YEARS

You will need to reapply for financial aid next year. Applications for the next academic year will be available in October. If you used the Borrower-Based Academic Year and requested the full loan amount to disburse in spring 2027, then you will not have any Federal Subsidized/Unsubsidized Direct Loan eligibility for summer 2027.

You must maintain Satisfactory Academic Progress in order to be considered for financial aid next year. Please consult the [Office of Financial Assistance](#) (under the policies section) for more information about Satisfactory Academic Progress.

If you have any questions about how these circumstances could affect your aid in subsequent years, please contact the Office of Financial Assistance.

Beyond this booklet, you can visit finaid.villanova.edu for more details and answers to frequently asked questions or contact the Office of Financial Assistance for further help.
