

# MASTER OF SCIENCE IN CHURCH MANAGEMENT

Transform the way you lead and serve the church in an increasingly complex world. The Master of Science in Church Management (MSCM) is an innovative, two-year online graduate business program that provides a high-level skill set in church management. Built upon two foundational elements—a solid business curriculum and a faith-based approach to church management—each course is meticulously designed for current and future Christian church leaders. Whether you are a church leader looking for increased management expertise or a volunteer looking to apply your skills in the church, a Master of Science in Church Management from Villanova University helps you bridge mission and management. If you are interested in strengthening your ability to contribute to the church’s mission, **the MSCM is the degree for you.**

Combining our expertise in business with our deep understanding and appreciation of our Augustinian Catholic values allows us to provide a rich education that helps church leaders become excellent stewards and talented managers to build a more effective ministry.

# FREQUENTLY ASKED QUESTIONS

## WHO SHOULD APPLY TO THE MSCM PROGRAM?

The MSCM is designed to meet the needs of an international student body of church leaders and managers of all Christian faiths—including pastors and pastoral associates, parish business managers, directors of diocesan departments, leaders of religious order and those who manage social service ministries. It is ideal for professionals who work full-time and cannot leave their ministry to pursue full-time study.

## WHEN DO CLASSES MEET?

The program begins in May with online classes. There is a mandatory one-week in-person residency on the Villanova University campus during early June. After the residency, all remaining MSCM courses are provided online, enabling you to attend all classes without leaving your home or office.

## WHAT IS REQUIRED TO APPLY?

Admission is based on experience, letters of recommendation and a personal essay. Undergraduate transcripts are required. All students with transcripts from an academic institution outside the United States will need to submit a professional credentials analysis. All students need a 3.0 GPA in their MSCM courses to graduate.
